

Rogers High School Hockey 2008-2009 Team Programs

MESSAGE SPACE ORDER FORM

Each year the Rogers Royals Face-Off Booster Club creates a printed program of the Rogers High School Hockey teams. The program has photos of each player, team/coach photos, captain's photos, senior player biographies, team statistics, and more. The program also lists our members and highlights the teams' sponsors. The program is expected to be available at all home games beginning late November.

New this year, the program will include a section for family, friends, alumni, and the community to offer customized wishes to individual players or the teams. Some ideas include photos, personalized messages, and drawings. The message pages will be printed in black and white.
